REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicants have overcome all of the rejections by amending the disclosures of the figures and limiting claims 1 and 15 to having C5-epimerase activity or having increased C5-epimerase activity.

Applicants stated that they did not receive the PTO 1449's filed 5/31/02, 8/19/02 and 3/28/03. Initialed copies of these 1449's were sent with the office action mailed 5/4/04, however after talking with applicants' representative another copy was faxed to her. Applicants' representative pointed out that the two patents on the 8/19/02 PTO-1449 were not initialed and therefore this page is being sent along with this action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
